I am an Undergraduate Student in Information Systems and Technology at Institut Teknologi Bisnis Sabda Setia (ITBSS) with a dedicated interest in Microsoft Excel and data analysis to generate actionable insights and support strategic decision-making. My academic background is complemented by active involvement in various organizations and professional activities, which have significantly enhanced my teamwork and communication skills. Currently, I am seeking internship or full-time opportunities where I can apply my analytical mindset and technical expertise in the fields of data analysis and information systems.

EDUCATION

INSTITUT TEKNOLOGI BISNIS SABDA SETIA (September 2023 – Present)

(Information Systems and Technology) – GPA: 3.92 (6th Semester)

SMA GEMBALA BAIK (Agustus 2020 – May 2023)

(Science) – Average Grade: 89.33
